

PASTORE 2

205186A 24" Flush Mount

An elegant update of a traditional style, the Pastore 2 ceiling light is a welcome addition to any room. Three black fabric drum shades playfully arranged in a circle are covered with white acrylic diffusers that ensure an even distribution of light and conceal the light bulbs within. The clean lines and classic look can be combined with almost any style, from contemporary to traditional, for a well-lit living room, bedroom, or hallway.
