

CASTROVIDO

207112A 8" Wall Sconce

The Castrovido is a highly adaptable wall sconce specifically engineered for dual-mount versatility, allowing it to be installed as either a sophisticated wall fixture or a sleek flush mount ceiling light. This 8-inch luminaire features a refined brushed nickel finish that serves as a timeless frame for the soft, uniform glow of its white glass globe shade. Whether providing focused light in a bathroom or acting as a minimalist overhead centerpiece, its clean geometric silhouette offers a perfect balance of contemporary style and functional flexibility.
