

CASTROVIDO

207114A 12" Flush Mount

Translate and give french keywords: The Castrovido is a sophisticated flush mount ceiling light that expertly balances geometric precision with a clean, contemporary aesthetic. This 12-inch fixture features a striking matte black frame that beautifully anchors three white glass globe shades, providing a soft and even distribution of light. Its low-profile design and timeless color palette make it an ideal choice for hallways, bedrooms, bathrooms or any space where a touch of elegance is desired without compromising on overhead clearance.
