

PORTILLO

207119A 8" PAR30 Exterior Wall Sconce

The Portillo exterior wall sconce is a robust design that brings a clean, modern look to outdoor living spaces. This 8-inch fixture features a ribbed black metal shade with a vertically fluted texture that adds depth and subtle dimension to its cylindrical form. A protective glass end cap fully seals the unit against the elements for long-lasting performance. Designed for a PAR30 light source, it delivers powerful, directed illumination ideal for enhancing the security and style of entryways, patios, or garages.
