

PORTILLO

207121A 13" PAR30 Exterior Wall Sconce

The Portillo exterior wall sconce makes a strong statement with its 13-inch cylindrical form and dual-light design. Finished in resilient black, the ribbed metal shade features a vertically fluted texture that adds depth and subtle dimension to its clean silhouette. Engineered with sealed glass end caps for superior protection against the elements, it offers lasting durability for outdoor use. Designed for PAR30 light sources, it delivers a dramatic up-and-down lighting effect that enhances the security and style of entryways, patios, and exterior walls.
