

PORTILLO

207123A 8" GU10 Exterior Wall Sconce

The Portillo exterior wall sconce delivers a refined, modern look with its sleek 8-inch cylindrical form. Finished in robust black, the ribbed metal shade features a vertically fluted texture that adds depth and subtle dimension to its clean silhouette. Designed as a dual-light fixture, it casts both upward and downward illumination to create a striking column of light along exterior surfaces. Engineered with sealed glass end caps to protect against the elements, it offers long-lasting durability and a focused GU10 lighting solution for entryways, patios, or outdoor facades.
