

MANHATTAN

207303A 18" LED Wall Sconce

The Manhattan wall sconce reimagines the energy of city lights in a sleek, geometric composition. Matte black intersecting tubes capped with etched acrylic diffusers emit a soft, even glow from integrated LED light, creating an elegant interplay of form and illumination. Designed for use as either a wall sconce or flush mount, Manhattan brings refined minimalism and modern character to hallways, living spaces, or entryways.
