

TREMOLO
207325A 42" Vanity Light

The Tremolo vanity light puts a refined twist on mid-century inspiration, defined by clean geometry and softly flared conical shades in etched opal glass. Finished in matte black with champagne gold accents, each shade rests in an angled cup and includes interchangeable metal disk details for a custom look. Tremolo captures the essence of luxe modern style, balancing bold form and refined warmth for a timeless statement in any space.
