JACKS

207716A 22" 5CCT LED Exterior Wall Sconce

The Jacks exterior wall sconce makes a striking statement through bold geometry and confident restraint. A seamless 5CCT integrated LED panel casts a soft, even glow against a sharply ribbed textured black backplate, creating depth and dimension. With its clean modern profile and ADA-compliant design, Jacks elevates indoor and outdoor spaces with strong lines and thoughtful detail.

PRODUCT ATTRIBUTES

Fixture Finish	Textured White
Diffuser Finish	Etched
