

FOLIGNO

390068A 71" Floor Lamp

The Foligno floor lamp is a modern multitasker, blending minimalism with practical design. Its sleek black frame rises with quiet confidence, supporting a fabric drum shade that diffuses soft ambient light for your room. Below, a flexible LED reading arm offers targeted illumination exactly where you need it, perfect for late-night reads or focused work. With its slim profile and dual functionality, the Foligno is ideal for living rooms, bedrooms, or cozy reading corners. Elegant, efficient, and effortlessly modern, it's lighting with purpose and polish.
