

ESPARDELLO

390334A 46" 3CCT LED Pendant Light

Gracefully modern and undeniably eye-catching, the linear Espardello LED pendant light is a sculptural masterpiece designed to elevate open spaces. Suspended from a sleek rectangular black canopy, fifteen clear glass spheres in varying sizes seem to float effortlessly in midair, each one catching and scattering light like delicate bubbles adrift. With eight integrated LEDs housed within the canopy, this statement piece offers a warm, inviting glow that shimmers down through the glass spheres. Thanks to its 3CCT technology, you can select from three color temperatures—warm white, neutral white, or cool daylight, ensuring the perfect ambiance for any time of day or occasion.
