

MARREIRA

39898A 22" LED Flush Mount

The Marreira LED flush mount is a striking fusion of natural warmth and modern geometry. Its square black metal frame is layered with alternating oak veneer bars and sleek white LED light panels, creating a bold visual rhythm across the ceiling. The integrated LEDs emit a soft, warm white glow and are fully dimmable, allowing you to tailor the ambiance to your space. Perfectly suited for minimalist and nature-inspired interiors, the Marreira brings sculptural elegance and calming illumination to any modern home.
