

PODERE

900836A 16" Pendant Light

The Poderre single pendant inspired by the Japanese design trend will bring a sense of calm and sophisticated elegance to your space. This light features a unique Textured Black metal geometric conical shade to capture the attention. This timeless pendant, with its unique shape, is deliberately minimalist to harmonize with the existing decor. Whether in the living room, kitchen, dining room, or bedroom this pendant light will add the right amount of charm to your home.
